NOTIFICATION OF LOSS OF ENTITLEMENT TO SMALL ENTITY  
STATUS UNDER 37 CFR 1.27

On February 28, 2000 with the filing of this application, the applicant filed a statement claiming small entity status and paid a filing fee of \$345. However, the applicant no longer claims small entity status. The applicant is now paying back fees assuming large entity status as of 2/28/00 as a precaution, not now knowing whether small entity status was proper. Please remove small entity status on this application. The current fee for filing a utility patent for a large entity is \$750. Attached is a check for \$405, the difference between the current large entity filing fee and the filing fee paid on 2/28/00. No other fees were paid as a small entity.
